Riding Lessons

Riding lessons start at age 5. Adult Students are also welcome.

Riders learn to ride using their legs, seat, hands and body position along with how it affects the horse. Bill keeps lessons fun and challenging for all levels and will help you reach your goals whether you're looking to show or just to improve your horsemanship skills.

Prior to lessons you must fill out the [Participant Agreement and Release of Risk Form](#).

Anderson Quarter Horses has safe horses that will help Bill teach you what you need to know about how to control the horse in many situations. His emphasis is on the equitation of the rider. He believes that if the rider has good equitation, then the rider could ride most any horse or discipline.

Lessons are private (1 rider), semi-private (2 riders) lessons, or by group (more than 2 riders). You can have a lesson on your horse or one of the AQH lesson horses. Bill teaches everyone how to tack, un-tack and care for the horse. That includes, grooming, tacking, warming up, riding, and cooling down your horse. He wants you learn how to take care of a horse in the event you would ever want to buy one.

Bill gives lessons every day of the week. Please call for availability.

Bill reserves the right to charge for cancellations without 24-hours notice.

Bill also offers lessons at your location. If you would like some lessons on your horse, but don't want to leave your own property, then Bill can travel to your place. Bill will travel as far as 25 miles from the AQH farm. **Additional mileage charges apply at \$0.51 per mile.**
